This year's annual has witnessed quite a few changes. The color and format are different, but there is another, more significant change — our sponsor, Mrs. Woestemeyer. For 11 years, she has guided countless English students through Sharpstown High, and it is to her this yearbook is dedicated.

Magda,
I don't know where to begin. I want to say thanks for so many things you might not realize but you really helped me through a lot. It has really been good to know someone has had the same problems I did. Have you ever felt like you're the only one? If you hadn't been there, I don't think I could have made it. I'll love you so much. Please accept my thanks with my deepest sincerity.
Love, Laura

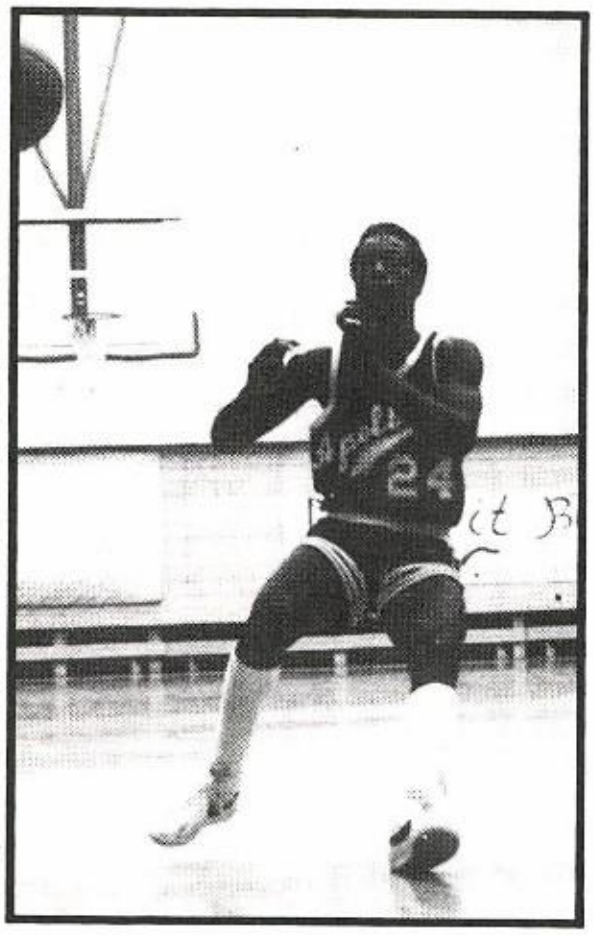
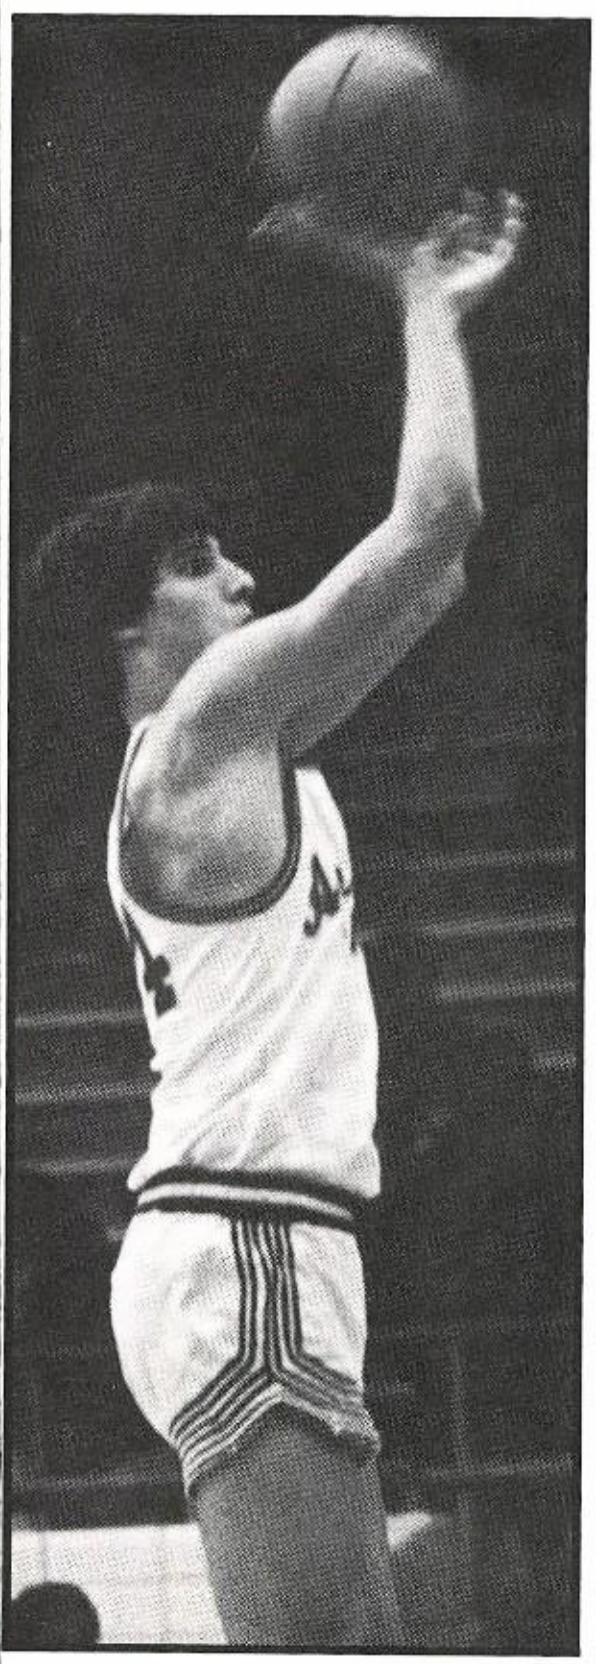
SHORT





Hard work and fierce pride were characteristics of the 1980

VARSITY BASKETBALL TEAM

Under the leadership of Coach Richards, the team compiled a season record of 21-12, and a District record of 10-4, both school records. When the preseason began the Apollos were slated to appear in two tournaments. They were not figured to perform well in either one. But the Appolos carried away proudly two consolation championship trophies.

As district rolled around the Apollos were picked to finish on bottom as usual. With an army of fans who stood on their feet, screamed and clapped for four solid quarters of every game, the mighty Apollos finished both halves of district play in second place. As the season came to an end several Apollos players deserved recognition, senior Reginald (Frog) Jackson led the team in points and scoring average. Howard Jordan and Vernon Allen lead the Apollos in rebounds and blocked shots.

As the year comes to a close the Seniors of 1980 reflect on their past three years at rpstown Senior High School. They strived to make each moment the best it could be as e ran out on their last year of high school. Feelings of sadness and anticipation filled the iors as they leave the security of their high school to find new lives for themselves at ege or in a career. As they go from Sharpstown they leave certain aspects of themselves the underclassmen to push on and follow in their footsteps along a three year path in ch the seniors of 1980 have reached an end.

Looking back over the year, there are just a few things I would like to say before we close this yearbook.

First off, I would like to congratulate the *Guardian* staff of 1980 who succeeded in putting together yet another of our school's fine yearbooks. It's hard to believe that through all of the confusion came enough perseverance and dedication to put another book into print. Thanks to you all!

Next, I'd like to take a moment to thank my dear friend and managing editor Diane Humphreys who, despite all of the clerical boredom, managed to put together the finest classes section in years. For all of your extra hours — thank you, Diane.

As I watch this tragically eventful 79-80 school year come slowly to a close, I can't help but wonder where our nation, our world, is heading. Skyrocketing inflation, international feelings of enmity, pollution of nature, poverty — they all make me wary of the future. Although we'd love to see "someone else" take care of the problems, month by month the responsibility becomes more and more our own. Let's get involved.

God Bless You all.

Peace —

David

Lift me and let me soar with the speed of
time,
content to see the dust of yesterday
bury the past.
Chase the wind with me,
Dream with me,
Yesterday is gone and can't be held by
wishes.
Now is the time for vision and for prayer,
This is a day for new adventures.
I do rejoice, and I am glad.
